The copy filmed here has been reproduced thanks to the generosity of:

Library of Congress
Photoduplication Service

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Library of Congress
Photoduplication Service

Les images suivantes ont été reproduites av plus grand soin, compte tenu de la conditio de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat d filmage.

Les exemplaires originaux dont la couvertur papier est imprimée sont filmés en commen par le premier plat et en terminant soit par l dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le se plat, selon le cas. Tous les autres exemplair originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminar la dernière page qui comporte une telle empreinte.

Les cartes, planches, tableaux, etc., peuver filmés à des taux de réduction différents. Lorsque le document est trop grand pour êt reproduit en un seul cliché, il est filmé à pa de l'angle supérieur gauche, de gauche à d et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suiva illustrent la méthode.
